

ST ANNE'S CE
PRIMARY SCHOOL

Friday 10th February 2017

Dear Parents,

This year, the School Council have been talking about being healthier and have voted on some snack-based ideas that will start after the half term break. The School Council is encouraging children to eat healthier lunches and snacks after half term. We will be sending out some guidelines for lunch boxes too.

From the first day back (Monday 20th February), these will be our new snack rules:

- From Monday to Thursday we will be allowed healthy snacks. (please see the attached list).
- Every Friday will be known as 'Fruity Friday'. The children will be only allowed a piece of fresh or dried fruit or vegetables for their morning snack.
- Chocolate, biscuits, cake, crisps and sweets will not be allowed.
