

YEAR 2 AUTUMN TERM 2

HOMework

This half term our learning will focus on the history of flight in History, creating Christmas decorations in DT and continuing our habitat work in Science with a focus on mini-beasts.

Here are some optional home learning tasks for you to complete during the next 7 weeks. They are all related to our current learning and will give you an opportunity to explore and enrich the learning we do in school. We would love you to share your work with us by bringing it into school or by sharing photos, videos or activities using Class Dojo.

Mini Beast Hunt Journal

Go outside and record what mini beasts you find and where they live. Create a chart or draw your results showing the creatures name, how many and where you found it.

Mini Beast Fact File

Choose your favourite mini beast and make a fact file or poster about it. Include what it eats, where it lives, what it looks like and a fun fact.

Draw or paint a micro-habitat

Create a colourful drawing or painting of a habitat showing mini beasts living there for example a forest floor, pond or garden. To extend your work label the habitat and describe what the creatures eat.

Find out more about mini beasts by using this web link.

Flying Firsts

Research a 'Flying First' and present your information in a creative way to share in class. Here are some suggestions but you might have your own amazing ideas.

- Montgolfier brothers and the hot air balloon.
- Amy Johnson, first female pilot to fly from London to Australia.
- Concorde, the first supersonic passenger carrying commercial aeroplane.
- Apollo 11, the first moon landing of humans in 1969.

Paper Aeroplanes

Find out how to make a paper aeroplane. Make, decorate and test different types and see how far they can fly. Can you improve it so it flies further?

Helicopter Investigation

Find out how to make a paper helicopter and test it to see how it flies. Challenge your family to make one each and test them to see who made the best one.

Author of the Term - Julia Donaldson

This term we will be reading and exploring books by Julia Donaldson. Can you find out about our author, draw some pictures from her books, write book reviews or listen to some stories online? Bring in anything you do to add to our display.
